**MEMORANDUM FOR: Director of Planning, Programming,  
and Budgeting**

**SUBJECT : Victor L. Marchetti--Commendation**

1. I am grateful to you for making Victor Marchetti available for duty in my immediate office to substitute for my Executive Assistant during the period 2 August to 6 September. Mr. Marchetti came to the office without, insofar as I know, any prior experience which would particularly qualify him for this kind of work. He dedicated himself to doing a good job, and his quiet modesty, intelligence, and ability to write have served him well. He has turned in an outstanding performance.

2. I should appreciate your passing along my commendation to Mr. Marchetti.
